**Dear Parents,**

This is to inform you that **ERRAND KNOWLEDGE WORKSHEET** will be given to the students of grades 3 to 9 on every Friday in their respective homework notebooks.

The Errand knowledge worksheet is helpful for your children to reinforce the concepts taught during that particular week. These worksheets will cover various subjects, including English, Tamil, Math, Science, and Social.

The worksheets are meant to be completed at home and must be submitted on every Monday.

We believe that this worksheet will greatly benefit your child's education and help them to develop a deeper understanding of the subjects that they are studying.
